[Redacted]
This is to inform you that the 14 May 1980 SECOM meeting will terminate my representation as the United States Air Force member. I begin terminal leave on 1 Jun with retirement from the USAF effective on 1 Aug. Colonel Robert A. Shiver is to be my replacement as Director of Security and Communications Management. He is also recommended to you as the USAF member of the Security Committee and, at your pleasure, to continue as Chairman of the Compartmentation Sub-committee. I am personally well acquainted with Bob and I am certain he will represent the USAF and the SECOM with distinction.

I would like to take this opportunity to express to you, to the members of the Security Committee Staff and to the members of the Security Committee my appreciation for the opportunity to serve as a member of the Committee and for the cooperation and patience afforded me during my period of service with the Committee. I certainly want to convey my best wishes to you and the SECOM as you continue to grapple with the vital matter of SCI security.

Sincerely

Herbert H. Kamm
